

The Myers Y. Cooper Company

REAL ESTATE INVESTMENT DEVELOPERS | SINCE 1895

To Whom It May Concern,

The Myers Y. Cooper Company completed our first construction project with T&W Corporation in late 2015, a “Point Blank Range & Gun Shop” in Greenwood Indiana. This ground up construction project was such a success that we chose T&W to perform two additional projects in 2016.

We originally interviewed T&W, in 2013 to vet local contractors for the work we anticipated in their market area. It was clear to us in that first meeting that their construction methods and communication with clients was professional and matched our goals.

Since that meeting T&W has confirmed our expectations. From our point of view, it is clear that their main focus on a project includes quality and timely delivery. They are quick to identify potential issues that may arise and offer creative solutions and value engineering.

We have had the pleasure of working with Tim Howard as our project manager on all of our projects with T&W so far. Tim’s communication with us has always been top notch, a trait that is crucial for any developer. It is clear to me that he takes pride and ownership of the work his company produces.

I look forward to a continued relationship with T&W on any of my company’s future projects in and around the Indianapolis market.

Regards,

Sam Cooper
