Our church, Indy Vineyard Church, had a great experience with T&W. We started our process at the end of 2019 and Kurt Williams was patient and consistent in his contact with us over multiple years. We were unsure of what exactly we would be doing: buying and remodeling a building or remodeling our current space. Once we decided what we were going to do, they worked hard to give us an idea of what we could do with our current space and budget. We had some funding issues, but T&W adjusted and worked with us so we could maximize our financial resources and remodel what we could. Kurt was responsive when there was some confusion about a process to explain and sort out what needed to happen. Ray Eggleton and Jacob Dellinger were great on the project supervision and management side as well. They were responsive and went above and beyond to help us out.

I would highly recommend T&W to anyone looking to build or remodel their church!
